

The Rain

By Chris Skates and Dan Tankersley

We huddled together around the table, terrified of what was to come. Though we had been warned, the reality of what was happening was almost more than we could bear. We violently pressed our hands to our ears to block the sounds from those outside, but we could not keep from hearing their screams. The sound of fingernails clawing desperately at the sides of the ark went through us like a knife blade.

Nothing could be worse than this, I thought.

But it did get worse. I began to hear familiar voices. The cries of strangers were harrowing enough, but now I could hear the shouts of my mother's sister and her son. When my wife, Tamara, heard her mother's voice, she could stand no more.

*"**The Rain** is a must read... Biblical characters are brought to life in a compelling drama that will captivate the reader from start to finish*
